After submission of your application, the HAF staff will communicate with you about whether your application is considered complete, and will give you an approximate idea of the timing of the application process. Applications are reviewed by the committee on a quarterly basis. If a plaque is not awarded, but the committee makes suggestions about modifications to your building to make it eligible, you will be expected to resubmit your application with updated photographs upon completion of the work. Please remember that you must have your work approved by the BAR, and that work approved by the BAR does not necessarily mean that a plaque will be awarded by HAF.

Email application form, your narrative and all digital and scanned images to historicalalexandriafoundation@gmail.com You can also mail this material on a compact disc. Send the application fee, \$25.00 by mail. Please note that applications may be returned if all architectural and historical information required has not been completed to the satisfaction of the HAF Plaque Committee. It is imperative that you send your application electronically so that it can be easily shared with members of the HAF Plaque Committee.
